

FEDERAL AGENCY FORUMS

Federal agencies will hold special training sessions in conjunction with FEW's NTP for their field personnel and staffs. As of this printing, the Federal agencies listed below have scheduled training sessions. Because we wanted to assure our Registration Book got printed and mailed out early, it is anticipated that many other forums will be added between the printing of the Registration Book and the start of the NTP. In order to avoid scheduling conflicts with Pre-Conference training workshops, please check with your headquarters to verify the agency sessions below.
